Help Preserve a Foster Care Placement 6

Normal Request 

A foster family in Columbia has outgrown their dinner table as they have taken in 5 total children, and one recently moved from a highchair to the main table. This family needs at least a 6-person dining table and chairs. They are currently using a craft table and folding chairs to try to sit together for meals. Providing this table and chairs will allow quality time together and provide some normalcy for these children.

Location: Columbia, MO 65203 - **County:** Boone - **Children Served:** 5 - **Adults Served:** 1 - **Agency:** #Coyote Hill - **Tier 1:** Physical Needs -
